WHERE DID AMERICA GO?

As I write this on 18 October, 2006 our country has been fundamentally changed in the past twenty-four hours. Yesterday, our rights as Americans were signed away by a man who thinks it would be easier to rule the country if he were a dictator. The unconstitutional law he signed made him just that- The first American Dictator.

Is that enough to make you get involved and volunteer?

As I write this on 18 October, 2006 Washington State voter rolls have been purged of registered voters who haven't voted in the last few elections. Are you sure you are still registered to vote?

Is that enough to make you get involved and volunteer?

Just where did America go? Does it still exist out there in the land of American apathy and indifference?

As I write this on 18 October, 2006 American casualties in Iraq have

topped 3,000 dead and an undisclosed number of thousands wounded. Sixty-nine American troops dead so far just this month.

Is that enough to make you get involved and volunteer?

As I write this on 18 October, 2006 a war we instigated has devolved into a civil war that will kill untold Iraqis and American service personnel because of failed policy and incompetence.

Is that enough to make you get involved and volunteer?

Naturalized citizens are receiving mail that states they will be deported if they vote. Our own 31st LD candidates have been victims of GOP dirty tricks, to the neo-cons there are no unimportant races. Are we going to take it or fight back?

Have you had enough?

The fish stinks from the head, but you start cleaning it from the tail. Good Democrats need to get out and get involved in local efforts. It's not one issue or another, it's everything. It is not where America went, but where America is going. Are you going to fish or cut bait?

HISTORY IS MADE BY THOSE WHO SHOW UP

Are you going to show up?

The following are the three most important volunteer jobs we have in the 31st L.D. If you choose to make history, please contact me- MJ McGalliard mjlaffs@msn.com or call 253/576-4169 with the time and date you can work.

Starting October 19th when the vote by mail ballots come out we will be starting our GOTV efforts. These calls will be easy. All you will be doing is asking people if they've sent in their ballots yet. This will be on-going through Election Day. Most of these calls will be in the evening. We need every 31st member to put in at least one shift on this effort.

Starting October 20th we will be sign waving at various locations. This helps our candidates with name recognition and helps bring out Democrats.

ELECTION DAY we will be determining who has voted and calling those that haven't urging them to the polls. We will be offering rides to the polls. We have to Get Out The Vote.
